ACM ICS 2023 – Sponsorship Opportunities
Orlando, FL, June 16-23, 2023
http://www.ics-conference.org

The ACM International Conference on Supercomputing (ICS 2023) encourages sponsorship from industry, government, and institutions. Sponsorship can take the form of monetary and in-kind contributions. In general, contributions are used for various purposes ranging from honoraria for keynote speakers, prizes for best papers / posters, improved social events (receptions, conference dinner), special consideration on registration costs, and travel support for students. Targeted sponsorship for specific ICS 2023 support is welcomed and a list of opportunities is provided below.

Sponsorship Levels

There are four ranges of sponsorship levels for ICS 2023. These are listed below along with their specific benefits. All sponsorships will be acknowledged in announcements before the event, on the ICS 2023 web site, during the conference, and in the proceedings.

Platinum ($5,000+)

- Each platinum sponsor will be named as the exclusive sponsor for one ICS main social event or other sponsorship event opportunity to be decided with the sponsor, and identified as such through a public announcement and a poster.
- All platinum sponsors may supply a limited amount of materials to be given to each attendee at registration (for example a pamphlet, a CD, or a token gift)
- All platinum sponsors will be listed (by logo) at the top of a list of sponsors that will be shown on the conference web site, and the conference program.
- All platinum sponsors receive one complimentary full registration, which includes tutorials and workshops.
- All platinum sponsors are given the opportunity to reserve a poster panel to be displayed in the room where the technical program takes place.

Gold ($3,000 – $4,999)

- The gold sponsor will be named as the exclusive sponsor for an ICS lunch, and identified as such through public advertisement at the event.
- All gold sponsors may supply a limited amount of materials to be given to each attendee at registration (for example a pamphlet, a CD, or token gift)
- All gold sponsors will be listed (by logo) in the middle of a list of sponsors that will be shown on the conference web site, and the conference program.
- All gold sponsors receive one complimentary registration for the conference technical program, which includes tutorials and workshops.
- All gold sponsors are given the opportunity to reserve a poster panel to be displayed in the room where the technical program takes place.

Silver ($1,000 – $2,999)

- Silver sponsors will be named as a sponsor of a day's morning and afternoon breaks, or a tutorial/workshop breakfast, and identified as such through public advertisement at the event.
- All silver sponsors will be listed (by logo) at the bottom of a list of sponsors that will be shown on the conference web site, and the conference program.
- All silver sponsors receive one complimentary registration for the conference technical program, which includes tutorials and workshops.
- All silver sponsors are given the opportunity to reserve a poster panel to be displayed in the room where the technical program takes place.

Bronze ($500 – $999)

- All bronze sponsors will be listed (by logo) at the bottom of a list of sponsors that will be shown on the conference website, and the conference program.

For more information about ICS sponsorship, please see the ICS website or contact the General Chairs for ICS 2023 Prof. Kyle Gallivan (kgallivan@fsu.edu) and Prof. Efstratios Gallopoulos (stratis@ceid.upatras.gr). ICS 2023 is being organized in conjunction with the Federated Computing Research Conference.
